## Acute Stroke Case Rounds

A new approach to learning about acute stroke care for stroke care professionals.

### This information is for:

- Clinical staff, physicians, residents, fellows, and educators working in stroke care
- EMS personnel
- Managers of stroke services
- Academic partners of stroke service providers

### Purpose:

To improve knowledge and clinical practice in acute stroke care by providing an interactive case-based educational forum via Telehealth, that fosters growth of a shared understanding of acute stroke management between personnel working in Primary and Tertiary Stroke Centres.

### Schedule for Acute Stroke Rounds:

Rounds will be held monthly. We encourage other centres to present interesting or instructional cases. Upcoming Acute Stroke Case Rounds will be held from 12:00 to 13:00 MT on the following dates:

February 3, 2012	September 7, 2012
March 2, 2012	October 5, 2012
April 13, 2012	November 2, 2012
May 4, 2012	December 7, 2012
June 1, 2012	

### How to sign up to present at rounds:

Please contact Dr. Tim Watson ([watsont@ucalgary.ca](mailto:watsont@ucalgary.ca)) to present a case at future sessions.

### How to join a rounds session:

**Within Alberta:** Register your site via the AHS 'Calendar of Upcoming Videoconferences' at the following link:  
<https://vcscheduler.ca/ahs/>

**Outside Alberta:** Book a telehealth (videoconferencing room) with your local Telehealth Department, and have them email the Calgary Zone schedulers at [cal.telehealthscheduling@albertahealthservices.ca](mailto:cal.telehealthscheduling@albertahealthservices.ca) to register your site.

### CME Attendance:

Please fax attendance for your site to Andrea Cole-Haskayne, at (403) 944-8638 or email:
